DESIGNED EXCLUSIVELY FOR THE PREMIUM TRADE

Not Sold at Retail . . .

MAY 8 1941

Has jewel-like crystal glass bowl with ¼ and ½ cup graduations.

All-steel construction with nickel-plated propeller, shaft and guide.

Coated steel cover and turret in four color choices of red, yellow, pastel blue, and pastel green, with contrasting wood knob.

Scientifically designed duo-whip beater blades for quicker, easier action.

Standard packing 3 of each of above four colors to one dozen case—weight 14 pounds per case.

Can be packed in individual cartons at slight additional cost.
